PETITION TO WITHDRAW HOLDING OF ABANDONMENTMS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully petitions and requests that the holding of abandonment in the above-identified application be withdrawn.

The above-identified application became abandoned for allegedly failing to timely file a Response to Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures dated October 26, 1999. However, after receiving the Notice to Comply, Applicants' attorney spoke to Examiner Gupta and determined that a Request to Transfer the sequence listing from the parent application was previously filed. Examiner Gupta indicated that an Office Action on the Merits would be issued.

The Notice to Comply was sent after a Restriction Requirement was issued by the Patent Office and after Applicants responded to the Restriction Requirement.

Docket No.: 45753D1(71550)

After receiving the Notice to Comply, Applicant's attorney David Conlin spoke with Examiner Gupta on November 15, 1999 and indicated that a request to use the sequence listing from the parent application was filed along with the filing of the above-identified application. During this conversation, Examiner Gupta indicated that he found the request to use the sequence listing in the parent application and, therefore, an Office Action on the merits would issue in due course. Mr. Conlin also sent Examiner Gupta a duplicate copy of this request on November 15, 1999 (a copy of which is enclosed as Exhibit A). An Office Action was never issued.

From the history available on PAIR it appears that the case was sent back to Examiner Gupta after the telephone conference with Mr. Conlin (on 12/28/1999) (see print-out of file history from PAIR attached hereto as Exhibit B). The PAIR file history indicates that this application was docketed to the Examiner twice: once on December 28, 1999 and again on October 4, 2002. The Examiner did not issue an Office Action on either of these occasions.

Nearly four years after the telephone conference with David Conlin, on September 30, 2003, the case was indicated as abandoned for failing to respond to the Notice to Comply. Applicants never received a copy of the Notice of Abandonment despite the indication in PAIR that one was sent.

RELIEF REQUESTED

Because the sequence listing was in compliance with the Rules, and a response to the Restriction Requirement was filed, Applicants hereby request withdrawal of the holding of abandonment and the prompt issuance of an Office Action.
